To Whom It May Concern:

Master Praveen Kumar Verma presented in Houston at the Texas Yoga Conference giving an outstanding workshop in Yoga that incorporates a flowing, South Indian dance/martial art sequence that was a favorite at the event.

Mr. Verma was also asked to demonstrate and guide three LPAP courses at Rice University as a guest speaker and was well received by nearly 100 undergraduate students who are taking yoga or the Art of Relaxation courses to complete their degrees.

We are always very honored to have Mr. Verma participate in our Texas events, which some of the largest in our state.

Thank you for your time. If you have any questions, please feel free to reach out anytime.

Sincerely,
